Use of staple pins in packaging of edible items

†*251. SHRI VASANT CHAVAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the use of staple pins in packaging of edible items is appropriate;

(b) if not, whether Government are giving it a serious thought; and

(c) whether Government would bring an amendment in the law to ban this?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMDOSS): (a) to (c) The matter relating to ban on the use of staple pins in packaging of edible items was examined by Indian Council of Medical Research (ICMR) on the request of Department of Health, Ministry of Health & Family Welfare. The ICMR opined that use of staple pins in packaging of food products is a common practice and the sick of swallowing the pin along with the food is very minimal.

The Central Committee for Food Standards (CCFS), a statutory committee under the PFA Act, 1954, in its meeting held in June, 1990, considered the opinion of ICMR and recommended that the State Governments may educate the traders to discourage such practices. Accordingly, the State Governments were requested to create awareness in this regard and discourage the use of staple pins for packing edible items.

NAFED loans
